Employment

2020 - now Marketing Specialist at SPINEN

Collaborated with internal and client teams to craft visual designs for marketing materials and digital campaigns. Produced email campaigns that generated over \$30k in revenue. Managed social media and client engagement. Ensured brand consistency.

2019 - now Freelance Graphic Designer

Overhauled client branding & content planning. Developed & maintained client websites, Google Business pages, & social media accounts. Started mailing list for customer newsletters. Produced brochures, menus, photo shoots, signage, & digital advertising. Reported and presented client analytics.

2018 - 2019 Project Manager at Third Wave Digital

Administered projects for national & small business campaigns. Executed complex digital communications on behalf of key clients (e.g. 7-Eleven) including 3rd party vendors. Maintained a visual matrix of both content & format variations for menu boards across region, store types, & times of day for >200 stores.

Education

2011 - 2015 Georgia College & State University

Bachelor of Arts in Mass Communication
